

MRC-Roofing.com

Martin Roofing & Construction, Inc is a general contractor with the demonstrated experience and professional capabilities to complete small business construction projects under the 236220 NAICS code. Recognized for its exemplary safety performance record as well as its quality products and installations, Martin Roofing & Construction's reputation is a leader in the provision of advanced roofing solutions and is rapidly growing within the industry. In addition, Martin Roofing & Construction can leverage the Public Works experience of its highly qualified personnel to meet even your most demanding requirements.

CONSTRUCTION CAPABILITIES

Martin Roofing & Construction can successfully accomplish construction on highly secure facilities under numerous NAICS codes related to 236220 - Commercial and Institutional Building Construction and 238160 - Roofing Contractors. The company also has Design-Build capabilities and can perform sustainability projects. Finally, we can confidently support all your maintenance and service requirements at the highest professional level.

IN-HOUSE PERSONNEL

Martin Roofing & Construction is proud to employ highly experienced personnel with extensive backgrounds in renovation, design-build construction, roofing, building repairs and interior finishes, among other construction related disciplines. We self-perform all project management, carpentry, labor and demolition obligations in addition to providing high quality maintenance and repairs. Our goal is to benefit our clients by streamlining project management and execution in order to keep costs low.

GOVERNMENT & PRIVATE PROJECTS

Martin Roofing & Construction has been entrusted with various Government, Private Works and Public projects (including school, municipal and institutional buildings) from ground-up construction to ongoing maintenance and service.
